

Accordion Fish

Cut card stock or construction paper to 2 1/2" x 8 1/2" for the body and fold it accordion style. Cut two hearts out of a different color for the fin and tail. Cut a half circle for the head. Cut another heart for the mouth. Glue it together and add eyes (googly eye or make/draw one on).

3-D Paper Fish

Color and cut out templates on next page. Cut the tails into four strips along the lines.

Weave the tails according to the diagram below:
