1 2 3 4 5 6 7

On Day Number 1,
God made light
He made the day
He made the night

On Day Number 2,
God made the sky
It's big and blue
And way up high

Whoa oh oh
Whoa oh oh

On Day Number 3,
God made the sea
He made the land,
Every plant and tree

On Day Number 4,
God made the stars
He put the sun in the sky,
Super duper far

Whoa oh oh
Whoa oh oh

*God made you and
God made me
He made everyone
And everything we see
He made the Earth
And He made the heavens*

1 2 3 4 5 6 7

1 2 3 4 5 6 7

On Day Number 5,
God made birds and fish,
Dolphins and whales
And things that go squish

On Day Number 6,
God made animals and bugs,
Foxes and cubs
All for us to hug

Whoa oh oh
Whoa oh oh

On Day Number 6,
God also made man
He said it was good
And part of His plan

On Day Number 7,
God stopped to rest
He saw what He made,
It was His best

Whoa oh oh
Whoa oh oh

*God made you and
God made me
He made everyone
And everything we see
He made the Earth
And He made the heavens*

1 2 3 4 5 6 7

1 2 3 4 5 6 7

*God made you and
God made me
He made everyone
And everything we see
He made the Earth
And He made the heavens*
