

**Parable of
the Talents
Craft**

Well done,
good and
faithful
servant!

Lazy
servant—give
your talent
back!

Color three of the money bags, using a different color for each. Then cut out all of the money bags. Staple or tape the colored bags each on top of a plain bag. Then color the numbers and cut them out. Glue a number on each of the colored bags. Then cut out the word boxes and glue the words onto the plain bag they match up with. When you lift up the numbered bag, you will be reminded of the parable and what the master said to each servant. Use your bags to re-tell the story to your family!
